BRIDGING EDUCATION & TECHNOLOGY

Welcome to the Illinois Virtual School (IVS), where students in grades 5-12 are provided with online courses taught by federally designated, highly-qualified teachers and professional development opportunities are available to Illinois educators. The IVS, a division of the Peoria County Regional Office of Education, is financially supported through the Illinois State Board of Education.

**WELCOME TO ILLINOIS VIRTUAL SCHOOL (IVS)**

The strength of IVS lies in our expanding curriculum that is led by dedicated teachers. Students who attend IVS learn in a fully supportive, highly technical environment. Our mission is to provide high quality education to all Illinois students.

**IVS provides...**

**Students** with high quality courses for grades 5-12 taught by federally designated teachers who are experts in their field and understand the dynamics of online learning.

**HELPDESK**

IVS has implemented the [Web Help Desk](#) system to provide more efficient responses to your questions and technical issues. Please use your IVS credentials to initiate a ticket.

**NOTE:** Parents will need to use their child's username and password, which were emailed when the IVS application was completed. If those credentials do not work, you are welcome to create your own account.
